INTRODUCTION: Good evening. May I please speak with [NAME FROM FILE]? My name is ____________ and I'm calling from WPA Intelligence, a national public opinion firm. This evening we're conducting a short scientific survey in Arizona and we'd like to get your opinions. We’re not selling anything and your responses will be completely confidential.

SCREENER

1. First, are you or any member of your immediate family a member of the news media, a Public Relations company, or an active participant with any political campaign?
   1. Yes........................................................................................................... TERMINATE
   2. No/All other .................................................................................................. 100%

2. Thinking about the November 2020 election for United States President, Senate, Congress, and various state and local offices, do you plan to vote in this election? Would you say you...
   [ROTATE TOP-TO-BOTTOM, BOTTOM-TO-TOP]
   1. Definitely plan to vote .................................................................................. 95%
   2. Probably plan to vote .................................................................................. 5%
   3. It’s Fifty-fifty .................................................................................................. <1%
   4. Probably plan not to vote ................................................................................. TERMINATE
   5. Definitely plan not to vote ............................................................................. TERMINATE
   6. Don’t Know/Refused DNR .......................................................................... TERMINATE

SAMPLE:
N=504 Likely Voters
MoE=±4.4%
44% Cell Phone Interviews

N Size:
A: 253
B: 250
Renewable Energy

Now thinking about renewable energy sources like solar or wind....

3. How much of a priority should it be for Arizona to grow and use renewable energy resources, such as wind and solar? Would you say it is very important, somewhat important, not that important, or not important at all?

| TOTAL VERY/SOMEWHAT | 86% |
| TOTAL NOT THAT/NOT AT ALL | 12% |
| 1. Very Important | 58% |
| 2. Somewhat Important | 28% |
| 3. DK/Refused [DNR] | 1% |
| 4. Not That Important | 7% |
| 5. Not Important At All | 5% |

4.A And, how important would you say it is for Arizona to promote the growth of its clean energy sources, such as solar and wind power versus importing fossil fuels like natural gas and oil? Would you say it is very important, somewhat important, not that important, or not important at all?

| TOTAL VERY/SOMEWHAT | 82% |
| TOTAL NOT THAT/NOT AT ALL | 16% |
| 1. Very Important | 56% |
| 2. Somewhat Important | 26% |
| 3. DK/Refused [DNR] | 2% |
| 4. Not That Important | 8% |
| 5. Not Important At All | 7% |

4.B And, how important is it to you that Arizona generates energy from sources that are readily abundant in the state rather than having to import them from neighboring states? Would you say it is very important, somewhat important, not that important, or not important at all?

| TOTAL VERY/SOMEWHAT | 89% |
| TOTAL NOT THAT/NOT AT ALL | 7% |
| 1. Very Important | 68% |
| 2. Somewhat Important | 21% |
| 3. DK/Refused [DNR] | 5% |
| 4. Not That Important | 6% |
| 5. Not Important At All | 1% |
5. Some say increasing our use of clean and renewable energy sources in Arizona, such as wind and solar, will create jobs and encourage economic development in the state. Would you say you agree or disagree that increasing our renewable energy sources will improve Arizona’s economy?

**IF AGREE/DISAGREE, ASK:** And, would you say you STRONGLY (agree/disagree) that renewable energy, such as wind and solar, development will benefit Arizona’s economy or just SOMEWHAT?

| TOTAL AGREE | 70% |
| TOTAL DISAGREE | 22% |
| 1. Strongly Agree | 46% |
| 2. Somewhat Agree | 24% |
| 3. DK/Refused | 8% |
| 4. Somewhat Disagree | 10% |
| 5. Strongly Disagree | 12% |

I am going to read you some phrases that you might hear related to renewable energy in Arizona. For each phrase, please, tell me whether it is an accurate or inaccurate description of renewable energy.

**IF ACCURATE/INACCURATE, ASK:** And, would you say the phrase is a VERY (accurate/inaccurate) description of renewable energy in Arizona, or just SOMEWHAT?

The (first/next) one is... RANDOMIZE Q6-7

| 6.A The most affordable source of energy | Total Acc 48% | Very Ac 1. 20% | Smwt Ac 2. 29% | DK/Ref DNR 16% | Smwt Inac 5. 19% | Very Inac 6. 17% | Total Inacc 36% |
| 6.B Important to Arizona jobs and economy | 70% | 42% | 28% | 7% | 14% | 9% | 23% |
| 7.A Reliable | 67% | 32% | 34% | 7% | 15% | 11% | 27% |
| 7.B Power sources available now | 62% | 24% | 38% | 17% | 12% | 10% | 21% |

And thinking about sources of information related to energy, how much would you say you trust the following sources? Please rate each source when it comes to learning more about clean energy or energy related issues on a scale from zero to ten. Zero meaning you do not trust this source, five meaning you somewhat trust this source, and ten meaning you have a lot of trust in the source.

**RANDOMIZE Q8-Q10**

| 8.A Public health experts | 10 8% 7-9 26% 4-6 43% 1-3 8% 0 9% | Average 5.4 | Median 5.0 | Refused 6% |

### Utility Demand Plan

11. As you may have heard, clean energy sources like solar and wind are now often more affordable than traditional sources of electricity like coal and natural gas. However, for consumers, there may be short term, additional costs associated with closing down older coal and natural gas-fired power plants as we move toward using more renewable energy sources. Knowing this, Would you say you support or oppose retiring coal and gas plants early if it meant a slight rate increase now for much bigger savings in the long run?

**IF SUPPORT/OPPOSE, ASK:**
And, would you say you STRONGLY (support/oppose) retiring coal and natural gas plants early or just SOMewhat?

<table>
<thead>
<tr>

3. DK/Refused DNR   | 8%  |
4. Somewhat Oppose  | 13% |
5. Strongly Oppose  | 26% |
12. Arizona’s biggest utilities have proposed to meet our growing demand for electricity almost exclusively through the purchase of energy from natural gas-fired power plants. Because Arizona is not a gas-producing state, this would require building new pipelines and storage facilities to transport the natural gas from out of state. Knowing this, would you say you [ROTATE support or oppose END ROTATION] this plan to use natural gas-fired power plants?

**IF SUPPORT/OPPOSE, ASK:**
And, would you say you STRONGLY (support/oppose) this plan to use natural gas-fired power plants or just SOMEWHAT?
